I INTERNATIONAL CONGRESS ON UNIFIED AND MULTIPURPOSE CADASTRE

Abstract submission guidelines for authors

E-mail for abstract submission: secretaria@cicum.org

Deadline for abstract submission: March 25th 2010

Template: You can obtain a template in Word format at the site of the Congress (http://www.cicum.org). This template follows the following guidelines.

INSTRUCTIONS FOR AUTHORS

1) Language. Papers must be written in Spanish, Portuguese or English.

2) Number of papers and number of authors. The maximum number of papers per inscription is 5. The maximum number of authors per paper is 5.

3) Electronic format. Papers must be submitted to the E-mail address indicated above as a Microsoft Word document.

4) Page layout. Format is standard A4 (210 mm x 297 mm) with all margins at 3 cm. All the paper should be typed with single spacing. Before and after spacing should be set to 0 pt.

5) Title. Title is the first item to be included, centered in bold capital letters. Font to be used is Times New Roman (14 pt). Title should be followed by an empty line (Times New Roman 12 pt).

6) Affiliation. It should be included as the second item, below the title. The author name will be included in a line, and his/her postal address and E-mail in the following line, immediately below the author's name. Font to be used is Times New roman (12 pt) for the name, Times New Roman (10 pt) for the affiliation. If two or more authors have to be included, an empty line (Times New Roman 12 pt) should be included between authors. Below the last author two empty lines (Times New Roman 12 pt) should be added.

7) Text of the abstract. It is to be included as the third item, below the affiliation, in paragraphs without any indentation, left and right justified, in Times New Roman (11 pt) and single spacing. Paragraphs should be separated by an empty line (Times New Roman 11 pt). Total number of pages for the whole abstract must be under 3, including title and affiliation.

10) Headings. If more than one heading is needed, each one should be included in an independent line, in Times New Roman (12 pt) in bold. Each heading should be preceded by two empty lines and followed by an empty line (Times New Roman 11 pt). Headings are to be coded in decimal numbers (1, 1.1, 1.1.1) avoiding exceeding 3 digits. A space should be included between the code and the text of the heading. Capital letter should be used for firs level headings (one digit) and small letter for the rest.
